

**TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE**

FISCAL NOTE

HB 3482 - SB 3366

March 10, 2012

SUMMARY OF BILL: Requires a city or county beer board to notify, in writing, the Alcoholic Beverage Commission (ABC) when it revokes or suspends a beer permit or assesses a fine on a permit holder who is also licensed with ABC. Requires ABC to review the submitted information prior to renewing any license of such permit holder. Requires the ABC to notify, in writing, any local beer board when it has suspended, revoked, or assessed a fine against a license holder who also holds a beer permit. Requires the local beer board to review the submitted information and notify the county clerk prior to the date the permit holder's annual privilege tax is owed to the clerk.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to ABC, it will be able to enforce the provisions of the proposed legislation without incurring any additional cost.
- Requiring local beer boards to review information as received by ABC will not result in a significant increase to local expenditures.
- It is estimated that the number of establishments that may have an ABC license or local beer permit revoked or suspended is not significant; therefore, any decrease in state or local revenue will not be significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
